

June 1, 2022

Dear Community Supporter,

Everyone deserves to experience peace at the end of life. That's exactly why Caring House was established and how we've been helping our community for the past six years, and you can help too!

We are bringing the community together on **Sunday morning, August 14** to celebrate our team after they compete in the Hermosa Beach Triathlon for the second year in a row. We expect at least 100 community members to join us for **brunch by the beach at the *Team Caring House Triathlon Celebration*** – to both celebrate with us and raise funds, so we can help even more families.

We are looking for South Bay and/or beach-themed items to go along with our beachside brunch celebration, and we hope you will consider an in-kind donation that will excite and motivate our guests to generously support Caring House through various fundraising activities, including a silent auction. This includes gift cards, which are gratefully welcomed!

We are proud to relieve family and friends of caregiving duties, so they can *just be* with their loved one in the last days and weeks of life. As you can imagine, this has a profoundly positive effect on their mental wellness. That also means there are numerous benefits to supporting our fundraiser – it's a great opportunity to promote your business and/or services, you're joining us in celebrating our team's efforts, and most importantly, you're helping more residents and families benefit from our care, compassion and support at one of the most difficult times in their life.

When someone spends their last weeks and/or days with us, we care for their entire family, allowing them to leave their worries at our front door, including any financial concerns. If a resident/family cannot afford the full cost of care, they are simply asked to pay to the best of their ability. As the first and only non-profit, home-based setting in LA County completely focused on helping residents and their families through the end-of-life journey, we are grateful to be able help our families when they need it most thanks to support from our community, including opportunities like this and wonderful community partners like you.

Our team of dedicated staff and volunteers are committed to providing the most compassionate, supportive care to families as they navigate this journey with us and the Medicare-certified hospice agency of their choice. Just as we are honored to partner with the hospice teams to support our residents and families, we hope you will partner with us to provide peace, comfort, support and dignity to *more* families in our community, so we can create *more* better endings together.

Please contact silent auction chair Roxanne Arroues at roxanne@yourcaringhouse.org or (310) 710-5323 with any questions or to make an in-kind donation.

On behalf of our staff, volunteers, community partners, and most importantly, our current and future residents and families, thank you so much for your consideration.

Gratefully,

Liz Reinhardt
Director of Development and Community Relations

**Deadline to submit donations:
Friday, July 29**

**Complete the donation form
online at bit.ly/tch-donation22**
